

Chief Patron
Dr. Amit Gupta
Chairman, JIMS Group of Institutions

Patron
Prof. (Dr.) Sachin Yadav
Director, JEMTEC, Greater Noida

Convener
Prof. (Dr.) Latha Banda
HOD (CSE), JEMTEC, Greater Noida

Co-Convener
Dr. Shilpi Singh, Asso. Prof.
Dr. Devendra Gautam, Asst. Prof.

Keynote Speakers

Prof. (Dr.) D. K. Lobiyal
Jawaharlal Nehru University, Delhi

Dr. Ahmad Khusro
School of Engineering and Digital Sciences
Nazarbayev University, Astana, Kazakhstan

Dr. Meraj Alam Khan
University of Toronto, Canada

Dr. Karan Singh
Jawaharlal Nehru University, Delhi

Dr. Mohammad Nasim
Volkswagen Group of America, Detroit,
USA

Dr. Mehndi Salimi (Guest Of Honour)
Kwantlen Polytechnic University, Canada

About JEMTEC

Jagannath Gupta Memorial Educational Society is a registered non-profit organization imparting high-quality professional education to create a pool of professionally qualified, skilled managers and entrepreneurs to meet the growing needs of trade and industry. The society has performed a stellar role in spreading education in science and management in India by establishing a number of campuses in Delhi and Jaipur. The students, after completing their courses successfully, take up the role of entrepreneurs or join industry and business as professionals. They are readily accepted by both the public and private sectors in India and abroad. Bachelor of Technology is a four-year programme, spread over eight semesters. The programme comprises various core and elective subjects interspersed with summer trainings and internships. All the semesters are a blend of intense classroom learning and hands-on learning in outstanding laboratories. The first year of the programme is the foundation courses in core engineering subjects with a blend of humanities and applied sciences. From the third semester onward, students undergo advanced studies to enhance their skills in their core branches. B.Tech. in Computer Science and Engineering simply refers to the use of computers and other technologies for the management of vast information. This branch develops technologies for information management and also provides information management strategies by planning and studying the requirement scenario. It is the study of how computers process and manage all the information. With the advent of the computer technology era, software applications and communication systems have become an integral component of every organization's strategic plan. At JEMTEC, it is defined with a different fervor - "Innovating Tomorrow".

International Conference on Sustainable AI for Cybersecurity

(ICSAICS-2026)

8th April 2026

Hybrid Mode

Registered papers will be indexed in

SCOPUS

Organized by

**Department of Computer Science & Engineering
JIMS Engineering Management Technical Campus
Greater Noida**

About the Conference

The International Conference on Sustainable AI for Cybersecurity (ICSAICS 2026) aims to bring together leading researchers, industry experts, and academicians to explore the intersection of Artificial Intelligence (AI) and Cybersecurity with focus on sustainability. The conference will provide a platform to discuss innovative solutions, emerging trends, and challenges in securing digital systems using AI-driven approaches while ensuring efficient utilization of energy and minimal environmental impact.

About Hinweis Research

The Hinweis Research is a scientific society dedicated to the promotion of international education and university cooperation in the fields of medical science, engineering, and technology. Through the organization of different international events, it brings together institutions, bodies, and organizations from different countries of the world for discussion and cooperation.

HR's mission is to promote and enhance the dialogue in education among the institutions devoted to medical science, engineering, and technology fields through:

- Creation and dissemination of knowledge; exert an influence in public policy.
- Promotion of best practice standards in the service of international education.
- The facilitation of relevant forums, training, and information exchange.
- Production of publications used as a database document for research works, projects, and innovation activities held in the international education field.

Registration Fee Details

Students	₹8000/-
Academicians	₹9000/-
Industry Professionals	₹10000/-
Foreign Author	USD 125
Participants	₹2000/-

** Best Paper will be awarded with cash prize and certificate.*

Important Dates

Submission Deadline	15 th January 2026
Notification of Acceptance	15 th February 2026
Camera-Ready Paper	25 th March 2026
Author Registration	30 th March 2026

Tracks and Details

Topics of interest for submission are mentioned below, but are not limited to:

Tracks	Details
Track -1	AI- Driven Cybersecurity Solutions
Track -2	Sustainable AI for Security
Track -3	Blockchain and AI for Cybersecurity
Track -4	Secure IoT, Edge and Cloud Computing
Track -5	Ethical AI and Regulatory Challenges in Cybersecurity
Track -6	AI in Threat Intelligence and Cyber Warfare
Track -7	Any other relevant topic within the domains of AI Applications

Paper Submission Guidelines

Papers must be submitted via Microsoft CMT or via email to papers.icsaics@gmail.com

Link to submit on CMT : <https://cmt3.research.microsoft.com/ICSAICS2026>

Registration begins after paper acceptance.

1. Registration Process
 - At least one author must register for each accepted paper.
 - Multiple accepted papers require separate registrations.
2. Copyright Transfer
 - All authors must complete the Registration and sign the Copyright form.
3. Camera-Ready Paper (CRP) Submission
 - Prepare your paper strictly in the Template available at <http://icsaics.thehinweis.com/downloads.html>
 - Paper should be in DOCX only (PDF will not be accepted).
4. Final Registration Submission
 - Maximum 6 authors per paper are allowed.
 - Regular fee covers up to 6 pages; exceeding this, an additional amount will be incurred.
 - Bank service charges must be borne by the sender.
 - Registration fee is non-refundable.
 - Fill the mandatory Registration form using the link/QR code given below which includes:
 - Scanned payment proof
 - Copyright Form
 - Camera-Ready paper
